

*Becca has worked for North Ogden City since 2004. She obtained her degree in Recreation Management from Brigham Young University. She has been involved in athletics her whole life playing Volleyball, Basketball and Softball throughout her schooling. During her college years she played softball for Dixie College and BYU. Becca loves working with the community and getting to know all the kids that come through the program. She enjoys spending time with her husband and 2 boys going camping, hiking, exploring new places, working in the yard, and attending all the boys' activities.*
